NOTIFICATION.

Octacamund, June 27, 1916.

No. 18.—The following notification of the Government of India is republished:—

FINANCE DEPARTMENT.

ACCOUNTS AND FINANCE—PUBLIC DEBT.

Simla, the 15th June 1916.

No. 449-A.—The attention of holders of Government promissory notes, who hold these as an investment of more or less permanence, is invited to the advantages afforded by the system of Inscribed Stock, i. e., the registration of holdings in the Book Debt Account maintained by the Public Debt Office. Under this system non-transferable stock certificates are issued to each holder in respect of the amount of debt registered to his name.

The essence of the system is that it gives absolute security. A stock certificate is transferable, not by endorsement, but only by a separate transfer deed executed by the holder or his duly constituted attorney and registered by him, or by such attorney, in the books of the Public Debt Office. A stock certificate is consequently of no value in the hands of a wrongful holder and the risk arising from the possession of negotiable securities is thereby avoided. In the event of the loss of a stock certificate by theft, fire, etc., a fresh certificate is issued on satisfactory evidence of loss.

There is also free convertibility between stock certificates and Government promissory notes. A holder of stock certificate wishing to reconvert the whole or any portion of the sum it represents into promissory notes of the appropriate loan may always do so, *vide* clause 6 below.

A further advantage is that the holders of stock certificates are not required to present them in person or by agent when the interest becomes due, *vide* clauses 11 and 12 below.

Registration and issue of stock certificates.

2. Promissory notes of any current rupee loan of the Government of India may, at the option of a holder, be registered in Book Debt Account, non-transferable stock certificates being issued in lieu. A subscriber to a new loan may similarly elect to hold the amount allotted to him, or any part of it, in the form of Book Debt.

3. A holder of Government promissory notes desiring to convert them into Book Debt should surrender them either at the Public Debt Office, Bank of Bengal, Bombay or Madras, or at the treasury at which interest is payable, together with a written application, forms of which are always available at the Banks of Bengal, Bombay and Madras, or may be obtained through any Treasury Officer. Each promissory note so tendered should be endorsed "Pay to His Excellency the Viceroy and Governor-General of India in Council". (For a specimen form of application vide Form No. 27, Civil Account Code.)

4. The holder will receive in exchange for the consolidated amount of such notes a stock certificate of the loan to which the notes appertain. If the notes belong to one or more of the 3½ per cent loans, the holder may, subject to the general conditions governing transfers between these loans, obtain a stock certificate of any other 3½ per cent loan into which transfer is admissible and into which he may desire to transfer his holding.

5. No fee will be charged on the issue, enfacement or renewal of a stock certificate.

Conversion into promissory notes.

6. A holder of a stock certificate wishing to convert the whole or any portion of the sum represented by it, into promissory notes of the loan to which it relates, may do so by tendering it either at the Public Debt Office (Bank of Bengal, Bombay or Madras), or at the treasury at which interest is payable endorsed thus:—

"Received in lieu of this stock certificate Government promissory notes of Rs. each, together with a new stock certificate for the balance amounting to Rs. ."

Promissory notes are, however, issued only in sums of Rs. 100 or in multiples of that sum, and a fee of four annas per cent is chargeable on each note issued in lieu of the certificate if the value of the note does not exceed Rs. 400 and of Re. 1 per note if the value exceeds that sum.

Sale or transfer of stock.

7. All sales or transfers of Government stock registered in the Book Debt Account must be made in even hundreds of rupees, and by transfer to be executed by the registered holder or his duly constituted attorney and registered in the books of the Public Debt Office, Bank of Bengal, Bombay or Madras. Such transfers are exempt from stamp duty. A blank form of deed of transfer is printed on the back of each stock certificate issued. Forms of special powers of attorney for effecting sales can be obtained free of charge from the Bank of Bengal, Bombay or Madras, directly or through any Treasury Officer.

8. When it is desired to execute a transfer, the original certificate must be lodged at the Public Debt Office (Bank of Bengal, Bombay or Madras). When this has been done and when the transfer has been duly registered, the transferee will receive a new certificate. The Public Debt Office may, in cases in which this is considered necessary, require the verification of the transferor's signature before a Treasury Officer or other responsible officer of Government.

In cases where only a portion of the stock is transferred, the purchaser will receive a certificate for an amount corresponding to the portion transferred, and a new certificate for the balance will be issued to the transferor.

Transfer to London.

9. Proprietors of stock certificates who may be desirous of transferring the whole or any portion of the amount to England can, on application, obtain from the Public Debt Office (Bank of Bengal, Bombay or Madras), a non-transferable certificate, on production of which at the Bank of England the amount of stock so advised will be registered in the name of the payee and a certificate issued for the same.

In respect of each such non-transferable certificate issued by the Public Debt Office a charge will be made at the rate of Re. 1 for every Rs. 5,000 or part of it.

Payment of interest.

10. Warrants for the interest due on Registered Debt are issued by the Public Debt Office and may be made payable at the Government treasury, Calcutta, Bombay or Madras or at any other Government treasury, or at the head post office at the head quarters of a Native State where there is no civil treasury.

The warrants will be paid on presentation at the treasury or post office on which they are made payable.

11. In the absence of any special arrangement, the interest warrant will, if payable at the Government treasury at Calcutta, Bombay or Madras, be delivered, on or after due date, to the registered proprietor or his agent or to the bearer of a letter from either of them on personal application for it. If it is payable at a treasury, it will be sent to such treasury and will be similarly delivered by the Treasury Officer to the registered proprietor or his agent or to the bearer of a letter from either of them.

But, if preferred, the warrant will be sent by post to the registered proprietor or his agent at any address desired. The proprietor should specify the treasury at which he wishes the interest to be made payable. The necessary information should be given in a written application, and this will be acted upon until it is revoked.

12. Stock certificates may be held by two or more persons jointly and any one or more of them can receive interest thereon under a joint holders' power of attorney which is free from stamp duty.

Forms (vide Form No. 23, Civil Account Code) of such powers are procurable from the Public Debt Offices or Government treasuries.

Form of certificate.

13. The form in which stock certificates will be issued under this Notification is given below. A blank form of transfer deed and a summary of the above rules will also be printed on the stock certificates.

14. This notification supersedes the Notification issued by the Government of India, Finance and Commerce Department, No. 8318-A., dated the 28th December 1894.

OFFICIAL ADVERTISEMENTS.

SUPPLY AND TRANSPORT NOTICE.

No. 15 (TEA).

SEALED offers by letter or telegram for the supply of Indian grown black tea required to be delivered between the 1st September and 1st November 1916 will be received by the Deputy Assistant Director of Supplies, 9th Division, Ootacamund, up to 12 noon on Saturday the 15th July 1916.

2. Offers should specify in words as well as in figures the rates at which the tea will be delivered. Fractional parts of pice in rates cannot be accepted. Rates should be quoted at so much per pound or per 100 pounds with full particulars regarding terms of delivery. Offers must be fully signed and dated. Offers by letter should be sent in a sealed or registered cover superscribed "tender for the supply of tea" and addressed to the Deputy Assistant Director of Supplies, 9th Division, Ootacamund, and not to any officer by name.

3. Offers will be opened at this office at 12 noon on Saturday 15th July 1916. Offers sent by post should be despatched so as to reach this office the day previous to opening of tenders as registered letters are not delivered in Ootacamund before 1-30 p.m.

4. Tenderers are particularly requested to give their address in full and also their telegraphic code address, if any. These should also be quoted in all correspondence.

5. Quotations should be for delivery either in regulation Army boxes (as specified in paragraph 7), or for delivery in ordinary commercial chests (see paragraph 8), and should also be for delivery (a) for the exact quantities specified F.O.R. at the several stations concerned or (b) for the total requirements delivered (1) F.O.R. Madras, (2) at Supply Reserve Depot, Madras, or (3) F.O.R. at any convenient place the tenderer may select. Should any tenderer fail to specify the place of delivery it will be taken to mean that the offer is for delivery at the Supply Depot of each station of requirements.

6. No earnest money is required. The successful tenderer will be required to execute the usual informal agreement or contract deed on I.A.F.Z.—2123 or 2120 and 2124 with or without a security deposit as may be necessary.

7. The following special conditions will be included in the agreement for the supply of tea *in Regulation boxes*:—

"The tea shall be equal to the Supply and Transport sample (which can be seen by the tenderer at the Supply Reserve Depot, the Beach, Madras, or at the nearest Supply and Transport Store Depot, i.e., at any one of those [illegible]) and free from undue proportion [illegible] tea and shall be

contained in strong serviceable boxes (but not of soemul or cotton wood) lined with sheet lead well secured and in merchantable condition and the lids of the boxes shall be securely nailed down and not screwed. A uniform quantity of 90 lb. tea should be contained in each box which will be oblong in shape and according to the sealed sample which the tenderer can inspect in the Supply Reserve Depot, the Beach, Madras, or in any Supply and Transport Store Depot measuring outside 2'-3" × 1'-1½" × 1'-5" and weighing with sheet lead not more than 26 lb. 4 oz. (sheet lead 4 lb. 4 oz. and box about 22 lb.). The total weight of each box with tea is thus not to exceed 76 lb. 4 oz., viz., box with sheet lead should weigh about 26 lb. 4 oz. and tea 50 lb.

Each box should be branded thus:—

Season	.. .. ..	(Correct year to be inserted.)
Indian black tea	.. .. ..	....
Nett weight	.. .. ..	90 lb.
Gross weight	.. .. ..	(To be inserted.)
From ..	.. .. ..	(Contractor's name to be entered.)

The weight of each box with lead foil will not be rigidly insisted on but variations in the aggregate weight of the box including lead should not exceed 5 lb. for instance 2 lb more or 3 lb. less may be accepted. Empty tea chests and lead will become the property of Government."

8. Alternative rates may also be quoted for tea packed in sound and thoroughly serviceable *tea chests of ordinary commercial pattern*, fit for transit by rail, instead of in the Regulation Army boxes above described, but it should be clearly specified in the offer what style of packing is tendered for. These boxes should also be marked as per paragraph 7 above.

9. The approval or rejection of offers rests with the General Officer Commanding, 9th Division, who reserves to himself the right of rejecting any offer, or any items in a tender, or a portion thereof, without cause assigned. The lowest tender need not necessarily be accepted. As a rule only successful tenderers are informed by telegram of the result of their offer. No notice can be taken of requests from unsuccessful tenderers for information by telegram unless the cost of such telegram is prepaid.

10. All consignment deliverable free on rails in fulfilment of the contract should be despatched at the ordinary Public Tariff rates and not at the Military Tariff rates. Further it is not incumbent on contractors to book their supplies to a Government official as has previously been the case.

11. A fair average two pound sample of tea should be sent to this office a week before the tenders are opened.

12. Any further information required can be obtained on application to this office between the hours of 12 a.m. and 3 p.m. (Sundays and holidays excepted).

13. The probable estimated requirements, which however cannot be absolutely guaranteed, are as under:—

Read a note by the Trust's Acting Chief Engineer submitting a revised estimate for the work in question as well as for further additional work amounting to Rs. 3,63,000, and explaining that Rs. 44,400 of the excess is due chiefly to the unexpectedly enhanced cost of English materials, and more particularly of 48 sets of mixed-gauge points and crossings, and the balance of Rs. 28,600, to new work not originally foreseen but now known to be needed.

Resolved to approve of the revised estimate under section 76 of the Port Trust Act and to submit it to Government for sanction under the same section in substitution for the estimate sanctioned by G.O. No. 274 M., dated the 18th August 1913, as well as for sanction to the debit to Capital under section 75 of the excess Rs. 73,000, over the amount, Rs. 2,90,000 already so sanctioned.

65. Read again Port Trust Board Resolution No. 324, dated the 3rd March 1916 and G.O. No. 162 M., dated the 23rd March 1916, sanctioning the Budget Estimates for 1916–17.

Read also G.O. No. 157 M., dated the 26th May 1916 communicating to the Chairman a copy of the Government of India, Financial Department letter No. 331 A., dated the 11th May 1916, sanctioning an additional loan to the Board of Rs. 5 lakhs at (for the present) 2 per cent interest, for amortisement by equated monthly payments of principal and interest by the 15th of July 1952.

Read a note by the Acting Chairman, dated the 7th June 1916, submitting a supplemental estimate, under section 66 of the Port Trust Act, of income and expenditure for 1916–17, in modification of the budget estimate sanctioned by G.O. No. 162 M., dated the 23rd March 1916, and giving reasons for the proposed modifications.

Resolved to approve of the reappropriation statements and to submit them to Government for sanction under section 66 of the Act.

66. Read again Resolution No. 43, dated the 12th May 1916, recording Government Order No. 144, Marine, dated the 6th May 1916, refusing, for lack of new arguments, to reconsider their decision not again to recommend for the favourable consideration of the Government of India the proposal to improve the emoluments of the Deputy Port Conservator by the grant to him of certain free quarters now available for his occupation—quarters which, by Resolution No. 868, dated the 31st March 1916, he has been ordered to occupy.

Resolved to address Government again on the subject in terms of a draft letter submitted by the Acting Chairman.

67. Read note by the Trust's Acting Chief Engineer requesting sanction to the payment of travelling allowance double second class fare from Bombay to Mr Evan Roberts who reported himself for duty on the 2nd June as Navigating Master of one of the Trust's dredgers.

Resolved that the travelling allowance be sanctioned.
